March 24, 1963.

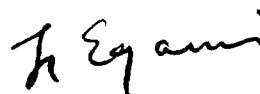

Dear Professor Lederberg :

I thank you for your kind letter to Dr. Kageyama.

May I ask you if you could accept me in Stanford on the 31st
May (Friday). Prof. Kornberg told me through Dr. Okazaki that
he will be absent at that time, however I hope to see Dr. Berg
and other members in his laboratory too.

Looking forward to seeing you soon,

Yours sincerely,
